XII Dayavati Dharam Vira Public School, Bijnor (CBSE) I scored a 6.5 CGPA in my 12th Standard	04/2017 – 05/2018 Bijnor, India
X ST MARY'S SCHOOL, BIJNOR (ICSE) I scored a 7.6 CGPA in my 10th Standard.	04/2015 – 04/2016 Bijnor, India

🧠 SKILLS

Programming Languages JavaScript ,TypeScript(Beginner), CSS , HTML	Libraries ReactJs , Redux ,Redux Toolkit ,
Frameworks NextJs, Bootstrap, Tailwind CSS, D3 Javascript	IT Construct Rest API , DBMS, OOPS , Google Firebase
Database Language MySql	Open To Learn Java , Node Js , Mongo DB, Express JS
Development Tools VS Code, Git, GitHub, Xampp, Figma, Chap GPT	

📁 PROJECTS

Portfolio

Link :- <https://aniketvishportfolio.netlify.app>

You can get a quick overview of my qualifications and work on this page. This project uses the **React js Javascript library** and **Tailwind CSS** Framework to construct a very precise **single-page application**.

SaasAro Hotel Booking

Link :- <https://anikethotelbooking.netlify.app>

One of my dynamic projects is a website for a hotel where visitors may browse all the rooms offered, add rooms to their carts, and finalize a reservation by providing personal information. **React Js, Javascript, and Tailwind** were the technologies used. **Redux, CSS, and UI/UX design**

Dark_Weather

Link:- <https://weatherinfoappreact.netlify.app>

a weather website that lets us look up the weather in any city, country, or location simply by typing the name of the location gives us detailed information about the local climate. **ReactJS, RestAPI, JavaScript methods, HTML, and Tailwind CSS** were used in the technology

Form Authentication

Link :- <https://aniketfirebaseauthen.netlify.app>

This react app ensures signup and login in an account utilizing the google Firebase database, and it was created using React and JavaScript Fundamentals with Tailwind CSS.

📜 CERTIFICATES

Web Development , Internshala Trainings, Online

Successfully completed an 8 weeks of online certified training on Web Development. The training consisted of HTML, CSS, Bootstrap, DBMS, PHP, JS, React, and Final Project modules

INTERESTS

UI/UX Designing | Reading | Exploring | Chess | Video Editing
